

## NEMHS Ultimate Gelding Nomination Form

The Ultimate Gelding program is a way to promote geldings by offering NEMHS members the opportunity for an extra year end award just for owning and showing a gelding! You can nominate your horse in as many categories as you want. Points will be calculated by NEMHS and a Champion and Reserve Champion will be announced for each category at our annual awards banquet. If multiple people show the same horse, only the points for the nominator will count towards the Ultimate Gelding point totals. Multiple nominations for the same horse with different handlers are accepted.
